

Taralli

Bakers since the '70s, we combined in a perfect balance between production and wise traditions to the most advanced technology offering an updated response to the needs of modern food. Today we make a wide range of specialities, all made with ingredients and top quality. Four product lines: **soffici**, **croccanti**, **taralli**, **scaldati pugliesi** and **biscotti** that are able to meet many demands of the market, from the most tradition to the most innovative world.
