

Vini

Salento Area is in the tip of Apulia region, at the extreme point of South Italy. It represents a particularly interesting example of 'Agriculture of Taste' of Italy, where the tradition is well mixed to modernity and where the treasures of territory are preserved and offered to tourists, making people know and appreciate the natural biodiversity of the land and its products.

Vigna del Galluccio IGT Salento

It's a dry elegant wine full and fruity on the palate, its aroma reminds the fragrance of Chardonnay grapes.

This IGT Salento wine is an ideal complement to seafood appetizers, fish, poultry and veal. Well chilled, it is excellent as an aperitif.

Chardonnay 100%
Alcoholic Content: 11% vol.

Salice Salentino DOC Riserva

Wine made with passion, it originates from Negroamaro grapes cultivated in North Salento. The wine matures for 12 months in French oak barrels and it is then ready for release after another year's ageing in the bottles. Intense ruby red colour with light garnet hues, its aroma is complex and persistent: it is an aristocratic wine

Negroamaro 100%
Alcoholic Content: 13 % vol.

Recommended with: red meat, roasts, game, and meats with hearty sauces.

Salice Salentino DOC

This wine originates from a careful vinification process of Negroamaro grapes cultivated in the vineyards surrounding the company in San Pancrazio Salentino. The greatest care in the maceration, an ageing period of six months in barriques and another six months in the bottles give rise to this full-bodied wine. It's the ideal complement to red meat, roast, and game.

Negroamaro 100%
Alcoholic Content: 13 % vol.

Sou IGT Puglia Negroamaro Rosato

This Rosè wine is produced by a modern technique of vinification: a light pneumatic pressure exercised on black Negroamaro grapes. It's a limpid wine with a lovely fragrance of fresh cherry, crisp and dry on the palate. Recommended with Mediterranean cookery, pasta dishes with fresh tomato, fresh-water fish and not fermented cheeses. Serve at 10°-12°.

Alcoholic Content: 12% vol.

Miu IGT Puglia Bianco

Is white pleasantly wine typical of Salento peninsula. The grapes of this wine are very ripe at harvest time to balance the natural acidity of the fruit.

Fresh and sweet smelling wine to enjoy with dishes of fish.
Serve cool.

Garganega 70% Trebbiano 30%
Alcoholic Content: 11%vol.

MERIDIS IGT Salento Bianco Vivace

Un vino bianco frizzante ottenuto da uve a bacca bianca vivace. Accompagna sapientemente piatti di pesce, dall'aperitivo al dessert, un vino...
...Vivace con Brio!

Garganega 100%

GRADAZIONE ALCOLICA 11%

"Furano"DOC e "Furano" Doc Riserva

La nostra riserva è prodotta da un'accurata selezione di uve Falangina a grappolo più spargolo lasciate surmaturare su pianta. Il risultato di tale lavoro è la raccolta di uve dorate che vengono vinificate con l'obiettivo di portare integralmente in bottiglia tutta la bontà delle uve. In accordo con tale scopo, l'uso del legno di rovere in affinamento vuole esaltare le note floreali varietali, la mineralità litoranea e i sentori di frutta matura. All'assaggio immediatamente si mostra sontuoso, morbido e coinvolge il degustatore con note di pera matura e albicocca, fuse a miele e cera, con un finale di agrumi e di erbe aromatiche.

Affinamento in botti di rovere
